

# INITIAL ANNOUNCEMENT

# Occupational Hygiene 2010

## Promoting a Healthy Working Environment

Conference and Exhibition for all Health and Safety Professionals

Tuesday 27 April – Thursday 29 April 2010

## INTRODUCTION

The Conference Committee of BOHS has produced a programme for Occupational Hygiene 2010 that is varied and covers all the major themes and emerging issues in the field of occupational health and hygiene. It provides an ideal opportunity to network with fellow professionals in a congenial atmosphere, whilst the Conference exhibition allows you to meet with a range of suppliers of services and equipment.

The Conference and Conference Dinner will take place at the Majestic Hotel, an elegant Victorian landmark in the heart of the bustling spa town of Harrogate, on the edge of the beautiful North Yorkshire Dales. The town is a popular tourist destination; its spa waters, RHS Harlow Carr gardens and Betty's tearooms are world famous visitor attractions, and the town serves as an ideal location from which to explore the nearby Yorkshire Dales national park. Harrogate railway station and Harrogate bus station in the town centre provide transport connections. Leeds Bradford International Airport is 10 miles (16 km) south west of Harrogate.
